7. OLD BUSINESS

7.I. Roller Coaster Rd. Drainage Discussion

D. Anson and M. Foote discussed the poor drainage conditions on Roller Coaster Road, agreeing that Conservation Commission should work toward bettering the situation, whether that be through discussion with DPW, grant writing, or other methods.

7.II. Discussion With Amy Lovisek- Cohort Project

the Commission had a brief discussion with A. Lovisek regarding signage and the orientation of potential future raingardens on City property.

8. NEW BUSINESS

8.I. Merrimack River Watershed Council- Source Water Protection Restoration Opportunity

T. Morrill of the Merrimack River Watershed Council discussed the background of the organization. He proposed invasive species removal and replanting projects at Bartlett Beach, and Water Street. He suggested that an initial removal of invasives take place at Bartlett Beach in winter to be used as a teaching tool. A. Lovisek (Parks and Recreation) said that she would be interested in the project to take place on land controlled by the City's Parks Department, agreeing to coordinate with T. Morrill on planning and execution. The Commission took interest in future projects, agreeing to coordinate in the future.

D. Anson suggested creating a list of priority areas for future projects, to include cleanup and replanting at Water Street (controlled by the Department of Public Works).

8.II. Joint Meeting With Gilford Con Com

The Commission discussed some of the more serious issues taking place on Black Brook, and agreed to attend the upcoming Gilford Conservation Commission meeting, to be held on **February 21 at 7:00 PM**. L. Morin suggested that Gilford be given a copy of the "*Geomorphic Assessment Report and Watershed Plan Black Brook Laconia and Gilford, New Hampshire*" if they do not currently have access to it on their website.
