**7.A. Regular meeting minutes of January 25, 2021**

Minutes of the meeting were distributed to the City Council on Tuesday, January 26, 2021. With no changes or corrections submitted to the Clerk, the minutes will be accepted as distributed.

**8. CONSENT & ACTION ITEMS**

**9. CITIZEN COMMENTS FOR MATTERS NOT ON THE AGENDA**

Sheri Minor would like to address the issue with property owners being fined for their tenants not taking care of their trash cans in a timely manner. During the pandemic, landlords are having a hard enough time collecting rent or issuing evictions let alone getting them to take care of their trash containers. Mrs. Minor stated she is representing a large group of landlords and is not here just for herself.

Mayor Hosmer suggested that Mrs. Minor reach out to the City Manager and himself and explain the situation and hopefully a resolution can happen along with following the City Ordinances.

Notice of this public hearing was made available in the January 27, 2021 edition of the Laconia Daily Sun, and posted at Laconia City Hall, Laconia Public Library, Laconia Community Center, and the SAU.

Mayor Hosmer opened the public hearing at 7:48 pm.

Hearing no comment from the public, Mayor Hosmer closed the public hearing at 7:49 pm.

#### 14. **PRESENTATIONS**

##### 14.A. **Timberman Event - Audra Tassone-Indeck**

Mayor Hosmer spoke of a document that was sent by Ms. Tassone-Indeck that explained what the Ironman/Timberman would bring to the City of Laconia. Ms. Tassone-Indeck spoke of some of the items that were in that document. The two day event will bring in 4,000 athletes. Women will race on Saturday, men on Sunday, professional athletes which will bring in media, and Laconia will be the hub of the entire event. Ironman is asking Laconia for a three-year commitment. Ironman will also give away \$20,000 in volunteers grants with an additional \$10,000 to local community organizations. Ironman is asking from the City of Laconia, a small financial contribution, medical assistance for both days, the before named venues, police assistance, three-20 yard dumpsters, staff from Public Works, CERT Team, message boards and appropriate road closures. Scott Langen also stated that the event anticipates bringing in 8 million dollars of economic impact to the area. This will bring a lot of tourism to the City.

City Manager Myers reviewed the true hard costs the City would incur for this event. A document with these details are attached as part of the record. The City anticipates the hard costs for the weekend to be \$16,350.

Mayor Hosmer asked if based on the information that the City Manager just provided is this what Ironman is expecting for services from the City.

S. Langen confirmed that from the service side, this is what Ironman would be looking for from the City.

Councilor Hamel thanked Audra and Scott for considering Laconia for this event. Councilor Hamel stated that after reviewing everything and past discussions, he would like to propose that the City be all in for \$20,000 as well as allowing local non-profits to be allowed to participate in this event.

Mayor Hosmer thinks having a not to exceed number is wise for the City.

Councilor Soucy mentioned a few letters that the Council received in favor of hosting this event. Councilor Soucy asked if this event could be moved to September rather than August in the following years. Audra said this year would need to stay in August but for the following years, it can be discussed about pushing the event into September. Entry fees per participate was also discussed. Councilor Soucy also would like Ironman to allow local non-profits to participate in this event. Councilor Soucy mentioned maybe using the Weirs Beach rather than Ellacoya State Park. Audra explained that historically it is been Ellacoya and they would like to keep it there but there is potential for Weirs Beach.

Councilor Haynes stated he is in favor of this. Councilor Haynes would like to have a review mechanism after the first year in order to review the pros and cons of the first year event.

Mayor Hosmer expressed before going forward with any motions, he would like to make sure there will be funds available for an event such as this.

City Manager Myers stated that if there is a not to exceed number of \$20,000, he is confident that he and Finance Director Glenn Smith can identify that amount and commit to it.

S. Langen asked if this year it is decided that \$20,000 is the not to exceed amount, if the next two years the amounts could be tiered to keep the services the same but up the cash services.

Councilor Hamel is willing to think about what S. Langen just proposed.

Mayor Hosmer broke down the proposed next three years by stating this year would be a not to exceed limit of \$20,000 which includes hard costs. Year two, keeping the hard costs the same and then maybe an additional \$15,000 in cash, to total \$31,000. Councilor Hamel agrees.

Mayor Hosmer is looking for a motion, second, and approval and then for Ironman to come up with a formal document that the City legal services can review and approve.

Councilor Hamel moved that the City provide the services outlined in the request, which would be police, CERT team, waiver of venue fees, use of the Middle School, Opechee Park, track, Main Streets, EMS, Waste Management, message boards, a review committee to be set up, a review of the event after this year's race and the all in total of \$20,000. Upon successful review from the committee, the City will look to step up the not to exceed number from \$20,000 to \$31,000 as appropriate over the next two years, seconded by Councilor Cheney;

City Manager Myers clarified that with the not to exceed limit of \$20,000 and if the hard expenses come in at \$16,000 then there would be a \$4,000 cash contribution to Ironman and if the

hard expenses came in at \$20,000 then there would not be a cash donation. Councilor Hamel agreed.

Councilor Lipman would like to amend the motion and add to the motion that if this event can not happen because of a public health concern, that the expenditures would not be incurred until the event can happen.

Councilor Hamel agrees with the friendly amendment.

Councilor Felch would like to see them do everything they can in 2022 to have this event in September.

Mayor Hosmer called the question as amended.

City Clerk Hebert took a roll call vote:

Councilor Cheney YES

Councilor Soucy YES

Councilor Lipman YES

Councilor Haynes YES

Councilor Hamel YES

Councilor Felch YES;

**20. CITY MANAGER'S REPORT**

**20.A. Financial and Operational Trends Report**

City Manager Myers reminded the public that the Colonial Theatre is still an active work zone, so please do not just show up to ask to take a tour.

City Manager Myers reviewed the report.

City Manager Myers also mentioned the Durkee Bridge Project and due to unexpected findings there has been a delay in the project. There was significant groundwater much shallower than expected. Some of the findings were unsuitable that can not be put back in to Winnisquam. A redesign is being worked on. Nothing is finalized at this point. Because of the set backs, the bridge closure will not be happening as scheduled this spring, but an alternative date is being worked on so that some of the upcoming events are not affected. Everyone is working to find the best solution for all involved.

Councilor Hamel asked if the State is involved in the pricing?

City Manager Myers feels the material is more urban core over years of business and construction as opposed to a hazard level but not comfortable with pumping it back into the lake. There are options to pump it into a tanker. There is a request to NH DES for a temporary connection to the Winnepesaukee Water Basin to get the material treated at the Franklin water treatment plant.

DPW Director Anderson explained the water line will be put in at the same level of the water.
