Synopsis of Event:

On June 8th 2019 at 2134 Hours, the Laconia Police Department responded to South Main Street and Province Road for a reported accident with serious bodily injury. When units arrived it was determined a Motorcycle was traveling south on Province and a vehicle was traveling north on Province and turned towards South Main Street colliding with the motorcycle. The motorcyclist (51 year old male) and the female passenger (51 year old female) both sustained serious but not life threatening injuries. The operator of the vehicle (20 years old) was not injured. Both vehicles were towed from the scene. The injuries to the motorcyclists though severe do not appear to be life threatening and the driver was transported to Dartmouth Hitchcock by helicopter.

The names are not being released at this time. The driver and passenger of the motorcycle were both wearing helmets at the time of the crash and this definitely prevented further injuries.

The Laconia Police would like to remind people with the extra traffic on the roads and increased motorcycles on the roads for the annual rally, to drive safely and be cognizant of everyone on the roads. The accident is still under investigation and if anyone saw or has additional information please call the Laconia police at 603-524-5252.
